Another Jewish elite “journalist”, who has written about how White people voting for Trump should be illegal, now believes that parents are a natural danger to their kids.

> parents are tyrants. “parent” is an oppressive class, like rich people or white people. there are things you can do to try to minimize the abuse that’s endemic to the parent/child relationship, but it’s always there.

As a leftist, he wants to abolish the rich; as a Jew, he wants to abolish (meaning replace/kill) White people. Now since oppression must be abolished, and if parents are an oppressive class, it follows logically that parents must be abolished. He has also linked capitalist oppression with parenthood, which is hilarious as capitalism is the enemy of the family, putting profit above people. Now who wouldd take over for parents? Most probably Jewish pedophiles. Jews are not only the enemy of Whites, they are the enemy of humanity. I

will leave you with this gem, “Judaism is not a race. But Jewish people can be targeted for racism”. Not only do Jews need antisemitism to entrench their power further, but when they say White people or parents are oppressive, it means that they hate or do things contrary to Jewish interests.
